

Academy of Environmental Science

August 2011

Dolphin Tribune

Welcome back!

Welcome back staff, upper classmen and a big welcome to the incoming freshmen. We're going to have a great time this year, making new friends, meeting new people and above all remember to have fun.

-Kaely Adkins

Science Fair

Better get started science fair is coming up fast! The school science fair will be held on in September. The academy has a reputation to maintain. Last year 39 people made it to Regional including team projects, 8 students made it to State and 1 made it to International from A.E.S.

Student Highlights

With the past summer coming to a rather quick and epic conclusion, the school bell begins to ring here at A.E.S. and the new 2011-2012 school year is in session. As the senior class prepares for the last steps towards graduation, the freshmen are taking their first steps. Seniors start their last year off with an interesting start, preparing resumes for internships is only the beginning of the real world experiences their teachers have in store for them.

Next we welcome back the Juniors, who have many trips coming their way, seeing aquariums and touring the natural beauty Florida portrays are only a few. Sophomores have many things in store such as trips and projects, more precise information will be given in the coming months. Freshmen are starting to adjust to the academy's ways, but have no break when it comes to field trips, science projects, rules, and the busy day-by-day schedule. We welcome all new students and hope the seniors enjoy their last year here at the Academy, we are looking forward to a great year!

-Jodi Opall

Ocean Bowl

Ocean Bowl is a buzzer game that uses questions to test your knowledge on the ocean and anything aquatic. At Ocean Bowl, teams of high school students go 4 on 4 in a buzzer competition about Oceanography and Marine Sciences. Last year the Academy sent 2 teams consisting of 11 students. There is a practice for Ocean Bowl on Monday April 22nd 2011 at 1:25 pm. in Mr.Mulligan's Room.

Good Luck!

-Franke Joehl

Staff:

Mr. Stofcheck

Mrs. Balfour

Ms. Pruette

Mr. Mulligan

Ms. Casey

Ms. Fletcher

Mr. Smith

Mr. Bill Clark

Mr. Chris Monrad

A.E.S. is pleased to report that all A.E.S. teachers are certified in the subjects they are teaching this Fall 2011 semester with the exception of Mr. Chris Monrad.

Mr. Monrad is currently teaching at A.E.S. as a long-term substitute. He has a BA in History / Political Science from the university of Mount Union (Alliance, Ohio) and is currently taking courses to complete his Florida teaching certification. By having Mr. Monrad teaching at A.E.S. we are able to offer our students additional courses, especially to our seniors.

Code of Conduct:

On August 19th, 2011 the Citrus County School Board approved and addendum to the Student Code of Conduct. A copy of this addendum was given to all A.E.S. students to bring home and share with parents/ guardians. To view this addendum please go to:
